THE BREVITY BASKET.
Filled With Brief Mention of Many Minor
Events of Yesterday.

Baron de Fava, the Italian minister, has con-
tributed \$5 toward the Garibaldi monument
fund, and Marquis Della Valle de Mirabello,
secretary of legation, \$3 for the same purpose.
They favor the erection of the monument in
this city.

A petition is being circulated for signa-
tures asking the President to pardon
Thomas Clarke, now doing a sentence of
three years in the Buffalo penitentiary. He
was indicted with one Andrew Birks, and
says he is but 14 years of age.

Mr. William Wineberger was charged in
the police court yesterday with stealing a
\$20 note from the store of G. D. Burch, 1632
Seventh street northwest. He was acquitted
of the charge, and says he will bring suit
against Mr. Burch for damages.

Commodore A. A. Semmes has complained
to the commissioners of the methods of clean-
ing sewers. He states that the contents are
deposited in the street when taken from the
sewer. The health officer, in his last annual
report, condemned the present method.

The number of cases of measles attended
by physicians during the week ending Jan. 27,
1884, was 5,191; number of children detained from school
in consequence of the prevalence of the disease
in families, 2,901; number of deaths, 50.
Many cases were not attended by physicians.

Jenny Towles, a colored servant, was
charged with a second offense of petit
larceny yesterday in the police court.
The testimony showed that she stole \$9 and
other articles from Miss Annie Lincoln, of
1338 Q street northwest. The case was sent
to the grand jury; bonds \$300.

A REMARKABLY handsome woman is said to be
the moving spirit in a philanthropic movement
in Russia to supply the poor of that country with
Dr. Bull's Cough Syrup, the great remedy for
coughs and colds.

The Miner Normal School.
The third quarterly examination of the
young lady pupils of the Miner Normal
school took place yesterday at the Miner
building. The exercises commenced promptly
at 9:30 o'clock under the direction of the
principal of the school, Miss Lucy E. Moten,

and consisted of the following: In the prac-
tice school—Reading, vocal drill, object les-
sons, and drawing. In the normal school—
Music, drawing, calligraphy, zoology, geology,
music, grammar, essay, "Teachers and Teach-
ing," music, recitation, closing song. Sup't
Cook represented the school officers. Prof.
Ogden and the Misses Beebe, of Philadel-
phia, Miss Briggs, Mrs. L. H. Douglass, the
Misses Wilder of Alabama, and many others
were present. The exercises were excellent,
and the training of the class is re-
garded by school officers as an exceptionally
bright one. Ex-Trustee Johnson was present,
and Trustee Brooks sent an apology for his
absence, being detained by his official
duties at his desk. Prof. Ogden expressed
himself as highly pleased with the exercises,
as were all present. This school, under Miss
Moten's principalship, has been exceedingly
successful. Mrs. E. M. O'Connor, the secre-
tary of the Miner board, represents that
body, and was very highly pleased with the
exercises.

THE
Palais Royal,
1117-19 Penna. Avenue.

GRAND OPENING!

CONTINUED.

The days of the Grand Mid-Winter Opening be-
ing somewhat inconvenient to those of our patrons
who are government employees, also the fact that the
supply of 4-4 Fruit-of-the-Loom Cotton at 5c per
yard was so soon exhausted, we are constrained to
continue the opening for all this week.

Having had 250 pieces of "Fruit-of-the-Loom" we think that
quantity would have sufficed had not retail merchants (finding we sold
cheaper than they could buy) sent their clerks to purchase of us. As a
fact, twenty young ladies were actually waiting for the store to open
last Monday, and all for "Fruit-of-the-Loom."

SOUVENIRS
(Same as advertised Monday, Tuesday, and Wednesday)

ALL THIS WEEK.

The Palais Royal has pride in stating that the "opening" has been
spoken of all over the city as a grand success. The unsolicited notices
of the press, without exception, write the "opening" as even worthy of
notices. We promise the same attractions for all this week, with the ex-
ception that "Fruit-of-the-Loom" Muslin will be sold at 5c per yard for
Thursday, Jan. 31, only.

our idea is to lay them aside for this day's sale, and thus make
the assortment especially attractive on that day.

Corsets, &c., single pieces of Underwear, odd pairs of Cur-
tains, or any lines of goods which we wish to close out.
